Dear Member,

Members are hereby informed that as per sincere effort made by the Managing Committee 2016-2017 & 2017-2018 of Karachi Customs Agents Association the Federal Board of Revenue allowed the de-registration of sales tax registration of our members (service providers) with effect from 1st July 2011.

This opportunity availed by various members and got de-registration of their firm from the FBR e-portal. In this regard, recently the FBR authorities have directed vide their letter No. (28)GST/CRO/2012-Pt-V/88281-R Dated 17th July 2018 that a sufficient time has already been given for de-registration and a deadline for submission of applications for de-registration was also given till 15th August 2018 and no applications were entertained by FBR after deadline.

Now we are pleased to inform you that upon request of Karachi Customs Agents Association the FBR Authorities has extended the deadline for submission of de-registration application till 31st December 2018. Consequently, in order to avoid inconvenience, members who have still not submitted their applications are once again requested to submit their applications alongwith undertaking at KCAA Head Office at the earliest, so that we may forward to FBR House for de-registration. (Application & undertaking format is available at www.kcaa.pk).

Further it may be noted that no applications for de-registration will be accepted by the FBR through KCAA after deadline i.e. 31-12-2018, whereas after deadline 31-12-2018 the remaining members can file their applications through concerned RTO directly at their own. So members are once again requested to please submit their de-registration applications at KCAA Head Office on or before 15th December 2018.
